

**Chapter 10 – The American Revolution & the BNA**  
**The American Revolution Collage Activity**  
(Pages 302-308)

- Using the internet search and find at least **10 images** that relate to the American Revolution. Try to find at least one image that may show Canada’s role in the Revolution.
- Using the computer, create a collage of those 10 images. Use any software you wish, but most use Google Docs. Once completed, put your full name on the front and staple it to the back bulletin board.
- You will be marked out of 10 for your ability to locate 10 images that relate to the American Revolution and your ability to arrange those images into a collage.
